**AUDITOR'S REPORT** 

To the Committee and Members of TISCO RUAM TUN 1 Registered Provident Fund

**Opinion** 

I have audited the financial statements of TISCO RUAM TUN 1 Registered Provident Fund ("the Fund"), which comprise

the statement of financial position and the detail of investments as at December 31, 2024, and the statement of

comprehensive income, statement of changes in net asset and statement of cash flow for the year then ended and notes to the

financial statements, including a summary of significant accounting policies.

In my opinion, the financial statements present fairly, in all material respects, the financial position of TISCO RUAM TUN

1 Registered Provident Fund as at December 31, 2024, its financial performance, changes in net asset and cash flow for the

year then ended in accordance with the Accounting Guidance for Mutual Funds and Provident Funds established by the

Association of Investment Management Companies and endorsed by the Office of the Securities and Exchange Commission.

**Basis for Opinion** 

I conducted my audit in accordance with Thai Standards on Auditing (TSAs). My responsibilities under those standards are

further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am

independent of the Fund in accordance with the Code of Ethics for Professional Accountants including Independence

Standards issued by the Federation of Accounting Professions (Code of Ethics for Professional Accountants) that are

relevant to my audit of the financial statements, and I have fulfilled my other ethical responsibilities in accordance with the

Code of Ethics for Professional Accountants. I believe that the audit evidence I have obtained is sufficient and appropriate

to provide a basis for my opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with

Accounting Guidance for Mutual Funds and Provident Funds established by the Association of Investment Management

Companies and endorsed by the Office of the Securities and Exchange Commission, and for such internal control as

management determines is necessary to enable the preparation of financial statements that are free from material

misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going

concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless

management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

1

#### Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion .Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with TSAs will always detect a material misstatement when it exists .Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with TSAs, I exercise professional judgment and maintain professional skepticism throughout the audit I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cause significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

บาเก

I communicate with management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

(Kanittha Siripattanasomchai)

TISCO RUAM TUN 1 REGISTERED PROVIDENT FUND

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2024

1. GENERAL INFORMATION

TISCO RUAM TUN 1 Registered Provident Fund ("the Fund") was registered with the Office of the Securities

and Exchange Commission ("SEC") as the provident fund in accordance with the Provident Fund Act B.E.2530

on June 27, 1990. The Fund has appointed TISCO Asset Management Company Limited ("the Management

Company") as the Fund's Management Company and registrar and appointed TISCO Bank Public Company

Limited as the Fund's custodian.

The Fund's investment policy is to invest in Equity Instruments and Fixed Income Instruments.

Members and employers have to contribute to the Fund at the rate as stipulated in the Fund's regulations.

As at December 31, 2024, the Fund consisted of 168 employers (2023: 174 employers) and numbers of members

are 10,805 members (2023: 12,047 members).

Members who have been terminated from the Fund are entitled to receive their contributions and its associated

earnings' portion in the whole amount and also entitled to receive the employers' contributions and its

associated earnings' portion as well as other benefit as stipulated in the Fund's regulations of each employer.

2. BASIS OF PREPARATION OF THE FINANCIAL STATEMENTS

The financial statements have been prepared in accordance with Accounting Guidances for Mutual Funds and

Provident Funds established by the Association of Investment Management Companies and endorsed by the

Securities and Exchange Commission ("Accounting Guidelines"). For the areas not covered by the Accounting

Guidelines, the Fund applies the requirements in accordance with Thai Financial Reporting Standards issued by the

Federation of Accounting Professions which effective on financial reporting period of the financial statements.

The financial statements of the Fund have been prepared in the Thai language and expressed in Thai Baht. Such

financial statements have been prepared for domestic reporting purposes. For the convenience of the readers not

conversant with the Thai language, an English version of the financial statements has been provided by

translating from the Thai version of the financial statements.

#### 3. SIGNIFICANT ACCOUNTING POLICIES

#### **Investment Measurement**

Initial recognition of investment; Investments are recognized as assets with the fair value on the date on which the Fund has the right on investments.

Measurement subsequent to initial recognition;

- Listed equity securities traded in active market are presented at fair value, using the last quoted sales price
  on the date of valuation.
- Unlisted equity securities are valued at fair value as determined by the fund manager, based on financial status of the financial instruments' issuer.
- Debt instruments are presented at fair value, using the sale price or the yield rate from the Thai Bond
   Market Association on the date of investment measurement.
- Investments in units of mutual fund are stated at fair value by using the latest value of net assets per unit on the date of valuation.

Net unrealized gains or losses arising from the revaluation of investments to be fair value are reflected in the profit or loss on the measurement date.

The weighted average method is used to determine the cost of each security at the time of sales.

### Revenues and expenses recognition

Interest income is recognized on an accrual basis.

Dividend income is recognized on the date having the right to receive the dividend.

Expenses are recognized on an accrual basis.

The premium (discount) on debt instruments is amortized by the effective rate method. The amortized amount is presented as an adjustment of the interest income.

On disposal of an investment, the difference between net consideration received and carrying amount is recognized in profit or loss.

### **Use of Accounting Judgments and Estimates**

Preparation of financial statements in conformity with generally accepted accounting principles requires management to make judgments and estimates that affect the reported amounts of assets, liabilities, revenues, expenses and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

The judgments and estimates are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

### 4. CASH AT BANKS

As at December 31, 2024 and 2023, cash at banks consisted of:

### 7. DISCLOSURE OF FINANCIAL INSTRUMENTS

#### **Fair Value Estimation**

The fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between buyers and sellers (market participants) at the measurement date under current market conditions. The Fund used quoted prices in active markets in measuring assets and liabilities to comply with the related Accounting Guidance, which required to be measured at the fair value except for in case of there is no active markets for identical assets or liabilities or the quoted prices in active markets are not available, the Fund shall estimate the fair value by using the valuation techniques for each circumstance appropriately and extent to use the best relevant observable input to measure the fair value the assets or liabilities.

The tables below are represented the financial instruments measured to be fair value categorized by the fair value hierarchy as follows:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1 input).
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (Level 2 input).
- Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (Level 3 input).

	Unit: Baht

-					

nw

Investments whose values are based on quoted market prices in active markets, and therefore classified within level 1, include active listed equities. The Fund does not adjust the value which are based on quoted price for these instruments.

Financial instruments that trade in markets which are not considered to be active but are valued based on quoted market prices, dealer quotations or alternative pricing sources supported by observable inputs are classified within level 2. These include investment in government bonds, grade corporate bonds and unit trust.

### Interest rate risk

Interest rate risk is the risk that the value of financial assets and financial liabilities will fluctuate due to changes in market interest rates.

The tables below summarize the Fund's exposure to interest rate risks. They include the Fund's assets and liabilities at fair value, categorised by interest rate types.

### Credit risk

The Fund is exposed to the risk of non-performance of the financial instruments obligations by counterparties since the Fund has accounts receivable. However, such financial assets are due in the short-term, so the Fund does not anticipate material losses from its debt collection.

### Foreign currency risk

The Fund has no financial assets and liabilities in foreign currency, so there is no foreign currency risk.

Market risk

The Fund is exposed to the risk from changes in market prices with respect to its investments in equity and debt instruments and unit trust. The returns on investment fluctuate depending on the economic and political situation including the status of financial and capital markets. The mentioned situations may reflect the operation of the financial instruments' issuer in the positive or negative way depending on the type of the business of those issuers whether it relates to the fluctuation of market, which may increase or decrease the financial instruments' market price.

Risk management

The Fund manages risks which may arise from investments by establishing its risk management policy to cover risks on investments such as diversifying of its investments and analyzing the status of those entities invested by the Fund.

### 8. APPROVAL OF FINANCIAL STATEMENTS

These financial statements have been approved for issue by the authorized persons of the Fund on February 28, 2025.
